Shared Vision 2016

Issue No. 16
June 8th 2018

Dear Parents and Carers,

I can't believe that we are now in the final half term of the year! This year has just flown by. Thank you to all the parents and carers who came along and supported our special KS1 Eid and Ramadan assembly on Wednesday. It was a lovely celebration by the children and they did a fantastic job of educating us adults.

Camp out is tonight and there is great excitement in not only in Years 3, 4 and 5 but also amongst all the many staff who are helping out. The staff do a fantastic job, often giving up their own precious time as they want to provide the children with the very best experiences.

Father's Day Lunches start next Monday and run for the whole week, the children absolutely love this special time and it is a real highlight for them. We look forward to seeing you next week.

Non-uniform day next Friday 15th June. The 'fine' for this non-uniform day is to bring in an item for the **Summer Fayre** (13th July). Please send either chocolate for the chocolate tombola or a bottle for the bottle tombola. The tombola stalls always raise a lot of money for school fund. We also need other donations for the Summer Fayre of items which may be hidden away in cupboards; toys, books, games, bric-a-brac and soft toys will all be put to very good use and last year we managed to raise just over £1000 for books for school. We hope to do even better this year and the money will once again go towards books for school. Thank you if you have already sent in donations, it is very much appreciated.

Have a wonderful weekend with your families

Our Governing Body

All of our Governors work really hard for our school and children and have been in school a number of times to meet Curriculum Co-Ordinators and discuss issues related to each subject. Pictures of our Governors are in the main entrance so that you can identify who they are and there is more information on our website about their roles. This edition we meet....

My name is Jason Holmes and my role is parent governor having started the role in November 2016. My eldest daughter is currently in year four and youngest is in Reception. I have worked around education for the last twelve years and am looking forward to working with the governors, parents and staff in the future.

Pupil Attendance

Big Congratulations to Reception Willow once again for the best attendance!

Birthdays

This edition we say 'Happy Birthday' to: Rubie-Lea, Ellie, Drishika, Eva, Ava, James, Elohim-Deborah, Savannah, James, Max, Jenson, Layla, Aarya, Morgan, Jacob, Finlay, Rhys, Megan, Scarlett, Noah, Ronan, Connor, Millie, Taylor, Sofia, Jack & Charlie.

Safeguarding Children

In the interest of safeguarding children there may be occasions when the school has to consult other agencies without a parent's prior knowledge. The school's first concern is the child's welfare and the school has a duty to act to protect the child at all times. Such consultation may result in a formal referral which could prompt visits from social services and/or the police.

We fully understand that this can be a very distressing set of circumstances, but we can only assure you that we follow the procedures laid down by the Coventry Safeguarding Board, a copy of which is available in school and our own Child Protection Policy can be found on the school website.
