

Microlibrarian

We can now access our school library system at home through an app which can be downloaded on to tablets and phones for all children to be to access our school library at home. Using their barcode which they have received they can log into the app.

From here children can:

- See any books they have on loan
- Write reviews of books
- See any new arrivals of books in our library
- Search for books to see if they are available for loan from our library
