Help us keep our children safe...

We are very concerned that despite repeated requests to work together to keep our children safe crossing the road, some parents continue to park in dangerous positions. Parking on zig zags is illegal and jeopardises the safety of our families. Double yellow lines have been added to protect the children. We are appealing to you to report any dangerous driving and parking in the vicinity of the school.

DO NOT PARK, TURN OR REVERSE ON THE SCHOOL DRIVE WAY!

We operate a strict no car policy – **this includes parking on the drive way to drop off or collect children and reversing back.** Please note that driving and parking on the school site is **strictly prohibited** at all times by parents and carers **including dropping off and collecting from Abbey Oaks and clubs.** The school boundary starts from the drive on Ashington Grove.

These rules are for the safety of everyone in our Whitley Abbey Primary & Tiverton community. Thank you for your co-operation.
