

Paying in cheques

Dear Parents/Carers,

Prior to the summer holidays school issued cheques where applicable to parents where payments had been made for school trips, residential visits etc. There are still a number of cheques that were posted out that have yet to be presented at the bank by parents. I would be grateful if this could be done as soon as possible. Cheques are valid for banking for 6 months from their issue date so these will need presenting and paying into your accounts before the start of December otherwise they become void. Thank you in advance for your assistance with this.

Mrs Tidmarsh
