

## UPDATE

### 1<sup>st</sup> June: Gradual phased re-opening of Whitley Abbey Primary School

- All essential workers who provided us with a letter confirming their employment have been offered a place by email – please follow the instructions in the **email carefully**, you won't receive a phone call. (Please check your junk email also).
- Parents of vulnerable children have been offered a place by email – please follow the instructions in the email carefully.
- Currently the only children in school are essential workers and vulnerable children.
- Our Risk Assessment to gradually and safely welcome Year 6, Year 1 and Reception children back into school is going through consultation with the Local Authority and the Unions.
- If you have requested a place for your child in Year 6, Year 1 and Reception we will share our action plan with you for their safe and gradual return as soon as consultation is complete and send you an email with further details , look out for updates on Facebook and the school website.
- Essential workers who request a place after today will be given a start date for their child/children no sooner than 15<sup>th</sup> June.
- Online working for children will resume on Google Classroom tomorrow for years 1 – 6 and on the school website for early years, please contact school if you need work or book packs.
