

## Indoor shoes and PE days

Thank you to the parents who asked for clarification about indoor shoes, sorry if we haven't been clear.

All children need a pair of indoor shoes, but they will only be changing into them when they have been on the school field on a wet or muddy day. Children won't need to change if they have just been on the playground and they won't need to change on arrival in the morning.

On PE days children should come to school in outdoor PE kit, including trainers and will wear their kit all day. This is any suitable outdoor PE gear for cooler weather, joggers, leggings, sweatshirts and hoodies. Not shorts. They will change into their indoor shoes if they have been on the school field on a wet day. On the rare occasions a child's clothing gets wet, we will give them a change of clothes or we will give you a call.
