

## Information for your child's return to school

- Children need to bring a named, filled water bottle every day, they will bring it home every day to be washed. Children can refill from the taps in school. Our water fountains are currently turned off.
- Please send your child with a book bag only or a bag that will fit in class drawers for Years R, 1, 2, 3 and 4 in or lockers for Years 5 and 6; no big rucksacks, pencil cases, etc. Your child does not require items from home.
- Children to bring a pair of indoor shoes/pumps to then be kept at school. The shoes that children wear to school will be their outdoor shoes.
- Children only need to change into their indoor shoes if they have been on the field and it's wet or muddy. If the field is really dry there will be no need to change. If they've been on the playground there will be no need to change. There will be no need to change on entry to school in the morning either.
- On PE days, children come in their PE clothes and wear them all day.
- The kitchen is serving hot lunches on a reduced menu. There is always a meat free option.
- Lunch boxes from home are permitted – the container doesn't have to be disposable now.
- Any uniform purchases can be done via SIMS PAY, or at the office. Please send the correct change only and also note that returns are not accepted currently unless faulty.
- If you have a query please call the office. If it is not urgent, please email or call the school to prevent congregations of people in the office foyer.
- Please make sure your contact details are up to date, especially your emergency contact telephone numbers.

Thank you!
