Aims and Values

This is our Vision Statement;

We believe our school is special. It is a place where we can grow into great individuals in a happy, healthy and high achieving atmosphere. We develop life skills and are supported in developing friendships and in dealing with conflict. Like the Whitley Abbey tree we are strong and powerful because we work together. Our school is a place where everyone, including our parents is encouraged to learn and grow together.

March 2012

A number of school policies have been agreed which, will help us to achieve these aims and values. They include policies covering matters such as school rules, attendance, discipline, including anti-bullying and the behaviour of pupils generally, homework arrangements and details of how the school curriculum is organised.

Parents can also find out more about our school from the prospectus and the annual governor's report to parents.

Each year we provide a written report on each child showing their progress. These reports also contain information on our educational standards and achievements.

- *Contact you if any problems arise with your child.*
- *Provide a clear indication of what homework is expected.*
- *Keep you informed of school activities through newsletters and notices.*
