

FAO: Parents/Carers of Pupils eligible for Free School Meals (this is not same as Universal Infant Free School Meal eligibility YR-Y2)

We are now preparing the next payment of vouchers to families eligible for free school meals. Once again we will be providing you with an Asda shopping card to cover 25th January to 12th February 2021.

To ensure safety on site, to allow you to collect these vouchers we would ask that you contact the school office and book a time slot to collect your shopping card this Wednesday or Thursday morning, 27th/28th January between 9.30am and 12.30pm. Your voucher will be ready waiting for you and we will just need you to sign for receipt of it. Please do not come outside of your booked time slot so we can ensure social distancing and keep everyone safe.

For those of you whose children are attending school 5 days per week as you meet the criteria for your child/children to attend school, you will not be issued with a voucher as your child/children will continue to receive a hot meal at lunchtime. Where your child is attending only adhoc school days we will be providing you with a voucher and ask that on the days your child does attend school that they bring a packed lunch into school with them.

Should you have any queries regarding these arrangements please do not hesitate to contact me at school or email me on admin@whitleyabbey-pri.coventry.sch.uk.

Stay safe

Kind Regards

Marie Tidmarsh
