Issue No 8

Dear Parents and Carers,

I hope you are all enjoying the sunshine and warm temperatures. It has been great to see the children playing together on the field and enjoying learning outside.

All the staff at Whitley Abbey would like to wish the children in Year 6 all the very best for next week, as they sit their SAT tests. They have worked hard in Booster Lessons and been well prepared by their teachers. Please remember you are all amazing and have been taught everything you need for this. Get plenty of rest this weekend and they will soon be over. There will be a SATs breakfast each day from 8.30am, to get mentally prepared and children are to enter school through the main entrance. The last Mathematics Test is on Thursday morning. All the tests will be sent to an external marker and the results will be available to the school on Tuesday 9th July, the same day as they go to Dol y Moch!

Congratulations to the very successful Y4/5 Tag rugby teams who took part in the annual event against eight other schools this week. Nineteen children were chosen by Mr James to represent the school – the boys came fourth and the girls came second. This means the girls will play in a final at Butts Stadium later in the term. All the children get medals, and a special award went to Kathleen for showing respect and to Andrew for showing great teamwork.

At this time of the year the children take off their school jumpers and cardigans and they are asked to take their water bottles outside and to the dinner hall during the day. This is also the case for packed lunch boxes. This means it is essential they are **clearly labelled with your child's name**, so they can be returned to their owners. We have also noticed a number of similar and very expensive water bottles appearing in school. A simple named water bottle is all the children need and these fit under the new water fountains we have installed. We will obviously do our best to find lost bottles but will not be responsible for expensive lost water bottles. Children without water bottles, will be provided with a cup so they do not become dehydrated.

Kind Regards

Mr Robbie Walker
