Dear Parents and Carers,

I hope all the football fans have enjoyed the Euros.

We have had an exciting Sports Week in school this week. One of the children said it was the best week of the year. All the children took part in sports afternoons, and we were very impressed with what good sports the children were. Thank you to those of you who came, cheered and took part in the parents' races. I hope you enjoyed being in school and seeing the children having fun with their friends. I have fond memories of sports days in the past. Thank you to Mr James for organising these events and sports week.

After adding up all the points Malala the yellow house were overall winners and congratulations to all the children who received medals for being great sports.

Malala Yellow House 791 points

Austen Green House 766 Points

Attenborough Red House 749 points

Mandela Blue House 732 Points

During the week there has been a number of different sporting events happening. The children were overcoming their fear of heights on the rock wall, with many children reaching the top and trying different climbs. The children's shooting was better than England's in the Euros and they learnt how to chip the ball to get points on a darts board target. Boxercise was something new for many of our children and they appreciated how hard it is on the arms and shoulders afterwards. Outside the children had to draw the bow back to hit the bullseye in archery and team games were employed to develop collaborative thinking. These were all paid for by the school and they were well utilised. We hope the children enjoyed the week and the sun shone throughout.

Next week is assessment week in school and most of the children will be completing assessment activities with their class teachers. The results of which will form the reports for your child/ren. Thank you to all the adults who have offered to talk to the children about their chosen careers. Careers week begins on 1st July and we are still looking for more volunteers. Please contact Miss Carter. This week is very interesting for the children because they begin to understand the link between education and future careers.

Please note that 3rd July is *Transition Day* where the children go to their new classes and 4th July is *Election Day*. Please note the school will be open as usual on these days.

There have been a number of exciting school trips happening this half term and we are proud to offer these to our children. I hope the children in Year 2 and the parents who went to Weston-Super-Mare had a great day on Tuesday. It was a long drive on the coach but well worth it to make sandcastles on the beach. Next week Reception are going to the farm on Wednesday 26th June. Thank you for your support in enabling these to happen.

It was great to meet the new parents joining our Nursery in September on Thursday this week, and on Monday we are looking forward to meeting the new Reception children’s parents at 4.00pm in the school hall. The Reception class home visits have started today. Thank you to all the staff who supported these after school events.

Your feedback and positive emails, have all been appreciated by the hard working staff at Whitley Abbey.

Kind Regards,

Mr Robbie Walker
