Issue No 2

Dear Parents and Carers,

It has been a long autumn term, and I thought it might be useful for me to update you about things happening at Whitley Abbey.

Staffing wise Mrs Davis will be coming back following maternity leave to 4D, week beginning 9th December. We would all like to thank Mrs Ferguson for all her hard work looking after the class. We wish her all the very best in the future.

Thank you to everyone who came to our parents' evenings. It was great to see you in school supporting the children's learning. A big thank you to the Head Boys and Girls who collected your views about our school. We are evaluating these, and we hope to get a response to you before Christmas.

It was wonderful to see so many Y3 parents join us for a Design and Technology afternoon last week. It was great to see adults and children sharing their learning and working together to solve problems.

We decided a number of months ago to take all the children to the theatre and last week everyone went to see a show or a pantomime. Thank you to all the staff and parents who supported this experience, I'm sure everyone appreciated going and the memories created. I understand we took over the Belgrade Theatre and Warwick Arts Centre with smiles and laughter and it was great to receive such positive feedback about the children's behaviour, despite coming back a little wet and apparently Mr Evetts put in a star performance.

We have worked hard to ensure the school is a stimulating, exciting and safe place to learn in. You may have noticed the murals and new signage we have had put up. This will help the children to remember what they are learning in PSHE, History and Geography. In addition to this, the display in the blue hall will remind everyone what is driving our personalised curriculum.

Unfortunately, we have taken down the two seating areas which were under the trees, due to the rooves being rotten but we are looking to develop the front playground, and the children will be part of this. We have also had some problems with damage caused in the toilets by children. This is not acceptable, and I have spoken to the classes involved.

We have had a number of calls from people living around the school about unsupervised children running on gardens. Please can I ask you to ensure that your child is well supervised on the school site and near dangerous roads.

Today we are putting up the decorations around school and there are lots of happy faces.

Kind Regards,

Mr Robbie Walker
 Headteacher
 Whitley Abbey Primary School
