

Dear Parents and Carers,

A big thank you to all our parents and carers for helping the children get off to such a fantastic start in Nursery! It's been wonderful to see so many happy faces coming in each day, settling into routines, and enjoying their time with us. We're also really pleased with the great attendance so far — it truly helps your child get the most out of their nursery experience.

Coming to nursery regularly gives children the chance to build confidence, make friends, and take part in all the exciting activities we plan each week. Every day really does count, and regular attendance helps your child feel secure and ready for the next steps in their learning journey.

In the main school, we work towards an attendance target of 97% or above, and we encourage our nursery children to build these good habits early on. Establishing a positive routine now sets them up for success as they move through school.

Of course, we understand that sometimes children are unwell or there are unavoidable reasons for absence. If your child can't come to nursery, please let us know as soon as possible by contacting the school office.

Thank you again for your continued support in helping your child attend nursery regularly and on time. Working together, we can make sure every child has the best possible start.

regards,

Robbie Walker

Headteacher
